
Inbox Near You is used in connection with rendering ministerial and evangelistic services as a witness of our Lord and Savior Jesus Christ.

InBox Near You delineates intellectual ideas in the arts leading people to www.MessageOfTruth.com.

I was going through my archives of letters and notes that I have written over the years in the Gospel. I found this one about the advice that a man Grady Hawkins gave to me years ago. Grady’s advice I took to heart and this was very important, meaningful, and fun in the raising of my two sons.

Many years ago a man named Grady Hawkins, the cabinetmaker who designed and built the cabinets in my home, gave me some very wise advice. Grady was a very knowledgeable man in the Word of God. We had many conversations about God and the Gospel of Christ. I learned many good and heart felt lessons about the reality of God in Grady’s life experience.

One day Grady was talking to me about my two young sons, they were 4 and 6 years old at the time. Grady asked me if I would like his advice on how to instill the desire for my sons to be influenced by the scriptures; how to instill in them the seed to read the bible. I said I would appreciate his advice. Grady said this to me, “Write out fully 5 of your favorite scriptures with the chapter and verse on 3 by 5 cards for each of your sons. Then place these scripture cards near their beds. Then at night when spending time with your boys before they go to sleep, as part of your conversation, read a different 3 by 5 card. Then each night they will experience the scriptures with the chapter and verse.”

Grady said, that from hearing the Word of God in this manner my sons would eventually remember these verses. These verses then would be a reference point for them to start reading the bible. I wrote “The Fabric of Time” with this advice in mind. I placed scripture verses alongside the song verses and wrote this song as a personal witness of Christ.

It is my hope that new believers, and those that are looking and want to believe, will be encouraged by this song in their walk with Christ. Also, I hope this song will be to parents, for their children, as good as the advice Grady Hawkins gave to me many years ago as my sons have now grown to be men.
Jesus Christ is with Faith Working Through Love the “Message Of Truth”

Ephesians 1:13 NAS

This Gospel Song can be downloaded free mp3 and pdf.

“Old Advice That Inspired The Motivation For Message Of Truth.”

I just wanted to write one good song for the Lord. I asked God back in 2008 that I wanted to write one good song for Him. I was thinking to the Lord, "My love of music far exceeds my abilities so if You will I just want to write one good song for You." Well let's look at the situation as it has evolved these past 6 years: Brenda and I were given 3 grandchildren with another due to be born in September, I was able from Grady's "Old Advice" to compose and produce the Gospel Song "The Fabric Of Time" based on the 3 by 5 card idea, and then to have put the "Frosting On The Cake" God had lead me to a men's group back in 2006 that lead to the creative process to develop www.MessageOfTruth.com. I had had the internet domain www.MessageOfTruth.com since November 6, 2006 and God put this domain into the equation when I began to compose "The Fabric Of Time". So We i.e. Us (John 17:21) were Blessed with the internet domain www.MessageOfTruth.com for "All The People" Luke 2:5-10 Now consider this "Traveling In Cyber Space, At Laser Speed, In The Advent Of The Digital Age www.MessageOfTruth.com All from some "Old Advice" about Scripture and 3 by 5 Cards!!!!!

Sincerely In Christ,

Bobby Fuhrman

1 Corinthians 2:11-16
